Mr. and Mrs. Roy Newton: A Book.

Mr. L.M.A. Roy very kindly presented the library with a large picture of the late Mr. Forrest Morse and M. W. Morse of this town. A splendid example of photography also a very acceptable gift as they are natives of Henniker and very well known and respected.

From the Quincy Newton Est: The Original Deed, of the place where he lived dated 1774, also the four deeds following this one, dated as follows: 1803, 1814 1826. These are all in good condition and very easy to read. As you will see we have had some very interesting things added to our collection, we are handicapped with facilities to display them so that the public can see them clearly.

From the Estate of Edna Dean Proctor we have several copies of her book "A Russian Journey."

We are grateful for all the kindly help received, the trees were aglow at Christmas Time. The Children's Story-Hour is better attended than ever, Mrs. Parmenter takes great pains to have stories appropriate and interesting as well as instructive. We observed Book Week, also entertained the Woman's Society one afternoon, with a discussion on the latest books. In closing we thank all for all kindnesses, and if we overlooked any gift it is not that it is not appreciated, but an oversight on our part that we will correct gladly.

The Library was open during Old Home Day and one of the attractions was a display of Mr. L. M. A. Roy's beautiful pictures. Many old friends called and were much interested in the old time pictures, that were placed here by friends, who had the pleasure of meeting some of these friends that day.

Very Sincerely,

FANNIE W. BENNETT,

Librarian.

MARION GARLAND,

Assistant Librarian.

All schools were in session the full 360 half-days required by law. The number of pupils registered in the district is 22 less than the previous year. Four of the total 274 registered were tuition pupils at Quaker Street. The percent of attendance was good—the highest for the past three years. The amount of tardiness has considerably increased: parents and teachers should cooperate in reducing this next year.

In September 1940, a Trades and Industries Course subsidized by the Federal Government, was introduced for the upper four grades of the high school. This requires the entire time of the teacher of this course, but as the district is reimbursed for two-thirds of his entire salary, sufficient additional funds are provided to employ another much needed teacher to teach Manual Training in Grades 7-8 and other courses.

During the summer of 1940, the outside of the Central Building was painted and the interior thoroughly cleaned and put in order from cellar to garret; a great deal of rubbish was removed. A part of the basement once used as a chemical laboratory was fitted up for Grade 7-8 Manual Training Shop. The Quaker Street school was repainted outside and shingled. The outside trim of the high school was also painted. A second-hand piano was purchased for use at the Central Building.

Through the generosity of the Cogswell Benevolent Trust, a fan system of heating the high school gymnasium was installed during the Christmas vacation, 1940. We are confident that this will provide a more economical and rapid method of heating this large space. In behalf of the pupils and teachers,

we wish to thank those responsible for this additional gift to the school.

This winter, 1940-'41, school lunches are being served in both the high and graded schools. At the Central building there is need of better facilities for preparing the lunches. The old oil stove now in use is inefficient and dangerous. By installation of proper wiring, an electric plate or stove could be used advantageously and with greater safety—there is also need of more dishes and spoons.

In nearly all the school rooms in this building there is only one small electric light, and this is over the teacher's desk. On dark days there is need of adequate electric light for pupils' use. The windows in all the rooms where pupils sit to study are placed so that there is a great deal of cross lighting.

In conclusion we wish to thank friends, parents, teachers and school board for whatever they have done in making possible the improvement and advancement of the schools of the district.

Respectfully submitted,
JOHN A. SINCLAIR,
Superintendent of Schools.
